

HaVeP® Worker.pro

Without a doubt: the best for professionals!

At HaVeP we don't like to make concessions. That's why the HaVeP® Worker.pro was designed with only 1 mission: 100% professionalism. Nothing more, nothing less. No unnecessary frills, but smart functionality for professionals who want more than just a simple pair of trousers. OK we made one compromise, it's remarkably payable (belt and detachable tool pockets are included). Work it out now!

- 1. Rough canvas look in 65% cotton/ 35% polyester, in other words: excellent wearability and durability
- 2. Lasts longer because of the Cordura® reinforcements in contrast colour
- 3. Cordura® knee pockets, adjustable in height, for optimal ergonomics
- 4. Convenient multi pockets for, mobile phone, iPod or other tools
- 5. 2 Loose and detachable Cordura® tool pockets
- 6. Subtle stitches in contrast colour for the finishing touch
- 7. Extra visibility because of the reflective piping
- 8. Wide hammerloop in the front
- 9. HaVeP® belt and detachable tool pockets included
- 10. Good industrial washability
