BODYWARMER HAVEP® HIGH VISIBILITY+ - Model 50415

Collection

HAVEP® High Visibility+

Norms

EN ISO 20471: 2013 + A1: 2016

EN ISO 13688: 2013 A1: 2021

Description

Stay visible, warm, and dry during roadworks and on construction sites, among other places. This body warmer is breathable, windproof, and water-repellent. Segmented striping increases your visibility and allows you to move freely, while the visible zipper with chin guard closes comfortably and the extended back panel provides extra coverage. Pockets with concealed zippers and a D-ring make it easy to store items on your clothing.

Characteristics

- Chin guard
