Description

Work safely and visibly during maintenance and installation, among other things. This inherently flame-retardant Polo Sweater meets five safety standards and increases your visibility with segmented striping that moves smoothly with you. Contrast details ensure a representative look, the concealed button closure is less likely to snag, and the slits in the side seam provide extra room to move.

Characteristics

- Polo Sweat Long sleeve with contrast cuffs in 1x1 rib
- Contrast accents
- Splits in the side seam
- Concealed 3-button fastening
- Segmented sealed reflective bands

Quality

38%/37%/25% | modacrylic/polyester/cotton | knitted | ±330 g/m²
