

WORK TROUSERS LIGHTWEIGHT WITH KNEE POCKETS HAVEP® REVOLVE - Model 80677

Collection

HAVEP® Revolve

Description

These lightweight work pants are specially designed for professionals who want to work comfortably even on warmer days. The lighter fabric weight reduces strain while wearing, and the 4-way stretch ensures full freedom of movement. The integrated knee pockets provide space for knee pads. Thanks to the durable reinforcements and smart pocket layout, these pants combine low weight with high functionality.
