WORK TROUSERS HAVEP® REVOLVE - Model 80680

Collection
HAVEP® Revolve

Description

These work pants are designed for professionals who are on the move all day. Thanks to the 4-way stretch, the pants move effortlessly with you, while the pre-shaped legs provide extra comfort when bending, kneeling, and walking. The Sorona® bio-based material combines comfort with durability and retains its shape over time. HEIQ Smart Temp & Mint technology helps maintain a comfortable wearing climate, even during intensive work. Practical pockets and reinforced sections make these pants suitable for daily professional use.
