GORE-TEX JACKET HAVEP® REVOLVE - Model 50537

Collection
HAVEP® Revolve

Description

This softshell jacket offers a good balance between protection and comfort. The breathable, windproof, and water-repellent fabric keeps you comfortable in changing weather conditions. The mechanical stretch provides plenty of freedom of movement. The extended back panel and adjustable hem ensure a comfortable fit that stays in place while you work. The practical pockets offer space for everyday essentials. The PFAS-free finish and soluble thread support a conscious choice of materials.
