Description

This lined parka helps you stay warm and dry while working outdoors. The mechanical stretch and stretch lining move with you, while the extended back panel provides extra coverage when bending over and reaching. The high collar, chin guard, elastic cuffs, and adjustable hood help keep wind and precipitation out. The hood is detachable, so you can adjust your protection to suit the weather. Zippered chest, Napoleon, side, and interior pockets keep your belongings protected and within reach. The fabric contains recycled polyester and features a PFAS-free water-repellent treatment.

Characteristics

- High collar
