Description

These work pants give you the freedom of movement you need during physical work. The fabric, made with bio-based Sorona® stretch yarn, stretches in four directions. The adjustable suspenders, elastic waistband, gusset, and contoured legs ensure a comfortable fit when bending over or kneeling. The knee pockets are accessible from the top, making it easy to insert knee pads. Practically arranged pockets keep tools within reach. Segmented reflective strips enhance your visibility, and 3-needle stitching in high-wear areas helps extend the garment's lifespan.

Characteristics

- Adjustable suspenders with Velcro fasteners
- Center front closure with hidden zipper
- 2 patch chest pockets with topstitching
