EN ISO 20471: 2013
+ A1: 2016

Description

These work pants move with you as you walk, bend, and kneel. The 4-way stretch, the elastic at the back, and the contoured legs ensure a comfortable fit without restricting your movements. The knee pockets are accessible from the top, making it easy to insert knee pads. The thigh pocket, tape measure pocket, and side pockets keep frequently used tools within easy reach. Segmented reflective strips enhance your visibility, and 3-needle stitching in high-wear areas helps the pants last longer.

Characteristics

- Wide belt loops
- Concealed zipper
- 2 side pockets with contrasting openings
- Loose-hanging thigh pocket with flap and snaps
- Loose-hanging tape measure pocket with pen pocket
- Elastic at the back
- 1 inset back pocket with flap and snap
- Segmented reflective tape
- Features 3-needle stitching on high-wear areas for extended durability
- Pre-shaped legs for a comfortable fit
- Easily accessible knee pockets with top openings, secured with a flap and Velcro

Quality

88%/12% | polyester (Sorona®)/polyester(recycled) | 2/1 twill weave | ±265 g/m²
