COVERALL HAVEP® MULTI PROTECTOR+ - Model 20435

Collection

HAVEP® Multi Protector+

Norms

Description

Work safely and stand out during maintenance and installation work, among other things. These inherently flame-retardant coveralls meet six safety standards and offer extra freedom of movement thanks to back pleats and elastic in the back. The high collar with chin guard protects your neck, while concealed fasteners keep dirt out so they last longer. Stitched-in reflective detailing increases your visibility.

Characteristics

- High collar
- Chin guard
- Center front closure with concealed zipper, pad closes with snaps and Velcro
