

COVERALL HAVEP® MULTI PROTECTOR+ - Model 20432

Collection

HAVEP® Multi Protector

Norms

Description

Stay visible and protected during maintenance and installation work, among other things. These inherently flame-retardant coveralls comply with six safety standards. Concealed fastenings are less likely to snag and stay cleaner, reflective detailing increases your visibility, and elasticated back pleats give you extra freedom of movement. You benefit from smart details.

Characteristics
